

REQUEST FOR PROPOSALS

COB is seeking proposals from qualified contractors to provide an in-building amplification system in accordance with the City of Biloxi's 'Emergency Radio System Coverage Ordinance' for 2 recently completed city facilities. Both facilities, MGM Park stadium and the Maritime and Seafood Industry Museum, have been tested and 'Public Safety Radio System Signal Strength Compliance Testing Results' are available. Floor plans and other facility information is available upon request.

Firms or individuals proposing to furnish such professional services should submit a statement of their qualifications and experience. (Four copies).

Proposals will be evaluated by a consultant selection committee on the basis of the following criteria and ranked by an assigned point system.

The following criteria apply:

Qualifications – 50%

- Technical competence of staff and principals, as well as satisfying
- Proximity to the project locations
- Type of in-building amplifier system proposed

Experience – 25%

- Previous experience with in-building amplifier systems
- Experience with the City of Biloxi Ordinance #2026
- Past performance including timelines, cost parameters and construction phase projects

Capacity for Performance – 25%

- Ability to perform in a timely fashion
- Personnel resources and company infrastructure

Firms will be evaluated and ranked according to the above criteria. The City may negotiate proposed location and routing of the system, along with compensation with the highest ranked firm or firms depending on the proposed project. The method of payment will be based on paid percentages as work is completed.

Sealed proposals will be received until 10:00 a.m., September 16, 2015

Proposals should be sealed and properly labeled **CONSULTANT PROPOSALS – IN-BUILDING AMPLIFIER SYSTEMS FOR MGM PARK STADIUM AND MARITIME AND SEAFOOD MUSEUM BUILDINGS, CITY OF BILOXI** and shall be forwarded to:
